**BENEFITS OF OPTIMA BATTERIES**

1. Durability. Last up to two times longer than other batteries.
2. Power. More power in first 10 seconds than any other lead battery.
3. 15 times more resistant to vibration than other batteries.
4. Non-Spillable, maintenance free. Mount in almost any position.
5. Constant performance keeps battery running at same level, even while discharging.

**UP TO 2 TIMES LONGER LIFE**  
(when compared to traditional batteries)

Damage from heat is the leading cause of battery failure. Even in high heat environments, OPTIMA batteries can outlast traditional batteries by up to 2 times.
