WARRANTY POLICY:

All rechargeable batteries are warranted for 24 months against any defects in manufacturing or workmanship. Nickel-Cadmium batteries are warranted to maintain 80% rated capacity for 18 months. Nickel-Metal Hydride batteries are warranted to maintain 80% rated capacity for 12 months. Lithium-Ion batteries are warranted to maintain 80% rated capacity for 12 months. Multiplier alkaline batteries are guaranteed to deliver rated capacity upon delivery.

Multiplier Industries Corp. reserves the right to correct misprints, omissions and to change product specifications without notice. All trademarks are registered to their respective owners.

Multiplier manufactures rechargeable batteries for two-way radios, pagers, medical and diagnostic equipment, primary lithium, charging systems and custom battery assemblies.

Please call Multiplier Industries for further information on your specific battery requirements.
